# DON'T FORGET!

## 1 YOU WILL STILL SIN.

Even if you know Jesus as your Savior, you will still sin. Sin always brings sadness and hurts your friendship with God. So when you sin, God wants you to confess it.

### CONFESSING YOUR SIN MEANS:

1. Telling God exactly what you did wrong
2. Asking God to forgive you
3. Asking God to help you not to do it again

Is there a sin you need to confess to God? Ask God to forgive you for that sin and to help you not to do it again. When you do, He promises to forgive you!

## 2 GOD WILL NEVER LEAVE YOU!

Even though you sin, God promises to never leave you!

Jesus said, ...I will never leave you.... Hebrews 13:5
